

Leading Parent Partnership Award
Statement of Commitment
June 2023 (Updated December 2023)

Lakeview's Ofsted Report from October 2022 said

'Following a period of staffing turbulence, a few parents are less aware of how some areas of life in school have improved. Leaders should work closely with parents and engage more positively with all stakeholders, so they are more informed about school life and understand the reasons for decisions taken by leaders.'

As a recognised area for improvement, Lakeview School leaders, Governors, staff, parents and pupils sought to establish better parental and community engagement and communication. Collectively, we are committed to working towards and Leading Parent Partnership Award.

The school's Leading Parent Partnership Award coordinator is

Jo Shillington

Signed

A handwritten signature in blue ink that reads "J Normanton". The signature is fluid and cursive.

Jackie Normanton
Headteacher

A handwritten signature in blue ink that reads "Laura Baker". The signature is stylized and cursive.

Laura Baker
Chair of Governors
